Mission Statement

Southold Dance Theater is a not-for-profit performing arts school, based in the disciplines of ballet and modern dance, fostering artistic growth for individuals and the community by enriching the lives of those who share in the dance experience.

Greetings Parents & Guardians of Our Amazing Southold Dancers,

We hope that you are all having a lovely summer! There is an update about male tuition for upcoming season that we would like to share with you.

- Tuition will continue to be free for male students in Creative I through Level IV (4); company level male dancers- Levels V- VIII (5-8) will be responsible for 50% of their yearly tuition fees.
 - Free tuition still **does not** include audition or production fees, as well as private lesson fees.
 - We are requiring a credit card to be on file in your JackRabbit account
 - Tuition will be split up into eight (8) equal payments from September- April
 - Fees will be posted to your JackRabbit account by the last Friday of the preceding month
 - All payments will be processed on the first Monday of each month with your saved billing information
 - You may continue to pay by check if you prefer and our office will make a note on your account, but you must also have a credit card on file.
- All Families of male dancers need to fill out the tuition assistance application form found [here](#) and return ASAP. If your dancer is in Creative I through Level IV (4), you will simply fill out the form; if you have a company level male dancers, Levels V- VIII (5-8), you will also need to send in the requested financial documents along with the completed tuition assistance application form.

***Reminder: applications for tuition assistance are still available and due TODAY July 7th, but can also be turned in on a rolling basis until July 31st for Fall 2023!**

***We will be resetting our Season starting next year; tuition assistance will only apply to Fall 2023 & Spring 2024!**

With appreciation, gratitude & respect,

Sarah M. Taylor
